Award of credit for experiential learning

LATI offers a program for assessing knowledge gained through work, life experience and self-study prior to attempting a specific LATI course. Students may initiate assessment of prior learning through a variety of assessment tools, including examinations, portfolios, external examinations, performance assessment, or documented training programs. Students with prior experience as interpreters and translators for one year or more are awarded up to 6 credit hours towards the Certificate.

Students with prior experience as interpreters and translators for one year or more are awarded up to 6 credit hours towards the M.A. program.

1. State Examinations: If you have passed a written test given by the state government to become certified as medical or court interpreter, 3 credit hours will be awarded. If you pass a state certification test, you will be automatically given the school certificate as well by acquiring the credit hours needed for completion. If a student does not pass the state certification and has completed their courses, they will receive a school certificate.

2. School Examinations: Upon approval of the Academic Dean, a student may take a comprehensive examination in a course in which he or she can demonstrate proficiency and upon passing the examination receive credit for that course. A request for testing should be made through the Academic Dean. A course may be tested through school examination one time only.

3. Credit for training: Submit a written application to the Academic Dean for transfer of credit earned in other institutions, such as UCLA Extension.

4. Portfolio development:

1 year of experience as full time interpreter or a regular interpreter for institutions is counted toward the credit of 3 credit hours.

Translation of a book that is published in the translator's name or 100,000 words is counted toward the credit of 3 credit hours.

Teaching a course on Translation and Interpretation at equal level of schools is also counted towards 3 credit hours.

The following regulations for experiential learning credit will apply.

1. All experiential learning options will be granted with credit.

2. Experiential learning credit will be granted upon the written recommendation of the Academic Dean or designated faculty assessor having jurisdiction of the courses.

3. The applicability of experiential learning credit towards specific degree program requirement is subject to the approval by the Academic Dean.

4. No letter grades will be entered on the student's transcript for experiential learning credit. This credit will be treated in the same way as transfer credit: a "P" (Pass) will be assigned and it will not count in the student's grade point average.

5. A student must request experiential learning credit as early as possible upon admission to the school.

A student should consult with the Academic Dean to determine how experiential learning may be applicable to the certificate or degree.

Procedures for Portfolio Development

Students wishing to receive academic credit through portfolio development should do the following.

- Consult the Academic Dean for guidelines on preparing a portfolio documenting 'experiential learning' experiences.
- Submit the portfolio to the Office of Experiential Learning and include appropriate fees.
- The faculty meeting will examine the portfolio and determine an award of credit. The decision will be forwarded to the Academic dean who will notify the student.

If the conclusion of the process results in a negative decision, a student may appeal the decision to the Academic Dean. The basis for a portfolio assessment appeal is the student's charge that the assessment decision was awarded through prejudice or caprice. The burden of proof rests with the student. Students must initiate appeals in writing within three weeks of receiving the completed portfolio evaluation form and submit it to the Academic Dean.

Experiential Learning Fees

Students participating in the Experiential Learning program are responsible for assessment fees as follows:

1. School examination: The experiential learning assessment fee is equal to 30% of the current rate for the course (M.A. Program and Certificate Program - \$200 per unit IEP Program - \$400 per level of instruction).
2. Training evaluation: 20% of the current rate.
3. Portfolio

Portfolio assessment fee is equal to 50% of the current approved rate.

Fees are based on the credit hours attempted and are not refundable if the student does not receive credit as a result of the evaluation. The fees must be paid at the time the student submits the completed portfolio, departmental examination or training documentation for evaluation. Evaluation shall be completed before the enrollment.

INTERNATIONAL STUDENT ADMISSIONS

Students who do not reside in the USA and who wish to attend LATI must follow the regular admission guidelines for the respective program to which they seek admission. Application fee is \$60.

In addition, international students must satisfy the requirements of the United States Immigration and Naturalization Service by becoming eligible to study in the USA through the obtainment of an F-1 (academic studies), or M-1 visa (vocational studies). To apply for a student's visa, a student must obtain an I-20 form from an accredited institution.

LATI issues I-20 for M-1 (vocational training) for 1-year Certificate in Translation and Interpretation only. We do not issue I-20 for F-1 students at this time. LATI is required to create, maintain, and update each quarter the SEVIS (Student Exchange Visitor Information System) records for each M-1 visa student attending our Programs. STUDENT ACADEMIC PERFORMANCE

Student Academic Performance (SAP) is a way to track student achievement. Included in the school's SAP policy are most importantly, attendance and grades. Students are required to maintain satisfactory academic progress according to the standards established and enforced by LATI. All students are monitored to measure development and progress. Academic and technical performances are weighed in all courses, utilizing periodic written examinations, technical lab evaluations, and standardized mid-term and final exams. All exams and critiques are graded by the use of a 10-point scale. These points are then converted into grades. In order to pass, the Student must achieve a score of 70%/C grade, or higher. Homework and classroom projects are graded, and must be completed and presented prior to or on the final class date.

ATTENDANCE POLICY

LATI is training students to become professional translators and interpreters, and towards this end, LATI places enormous emphasis on attendance. Students are expected to be prompt and attend every class. Students must have a minimum of 75% overall attendance to be considered an active student in good standing. Students who fall below the 75% attendance rate are placed on probation. Students who have three consecutive absences are placed on probation and students who have four consecutive absences, without excuse and without making-up classes are terminated from the program. Students who must be unavoidably absent must make-up their classes by making arrangements with their instructor and/or the President. (See "Make Up Class Sessions under Student Services) Absences remain on students' permanent records.

GRADING POLICY

In addition to the attendance requirements, students must maintain a minimum cumulative grade point average of 2.0, a C grade, in order to be considered a student in good standing. Individual courses, in compliance with satisfactory academic progress will be assessed at the 50% point of each course. Daily grades are recorded and based on instructor evaluations. Please see the following breakdown for the grading formula.

Grade	Percentage	Grade Point Average
A	90 - 100	4.00
B	80 - 89	3.00
C	70 - 79	2.00
D	60 - 69	1.00
F	59 - 00	0.00
I	Incomplete	0.00

Prior to graduation students must:

- Achieve a cumulative grade point average of 2.0 (C grade) for each course;
- Satisfy all financial obligations to the school; and

- Complete the enrolled course of study within 1.5 times the stated length

Students receive notice of their progress at the mid-term for each course and at the end. Students must maintain a passing grade of 70% (C), as a minimum, at each class of instruction. Grades are posted at the end of each course.

Students whose grades fall at 69% or below will be placed on academic probation until the next assessment period, at the end of each quarter. If students have not improved their grade by the end of the following quarter, they will be suspended from the program. A Student who has been suspended will be allowed to return the following quarter, as space is available, and if the student agrees to comply with the school's SAP.

If a student fails to complete any Program, for any reason, the maximum time allowed to complete the missed requirements is 1.5 times the normal duration. For example: Students enrolled in the One-Year Certificate Program have a maximum of 18 months, in total, to complete this program. If a student fails to complete the Program within the 1.5 period of time (18 months), and the student is not on a leave of absence, the incomplete shall be converted to a failure at the end of the period.

The only exception to this policy is for authorized Leaves of Absence, approved by the Academic Dean prior to the period of the absence, and with written request by the student. At the end of the *Leave of Absence, maximum two quarters (20 weeks of classroom instruction) if the requirements are not met for completion of the Program, then the leave shall expire and the incomplete status will be converted to a failure.

Students who return to complete a Program, for which they received an incomplete, shall meet all the standards necessary to receive a passing grade. Upon completion of the required standards, Students shall receive a Certificate or Diploma in accordance with their original completion date.

Grading Policy Exams

Transcripts are issued to graduates upon completion of their program, and additional academic transcripts are available for a fee of \$10.00. Duplicate diplomas and certificates are

\$10.00 upon request. Fees must be paid in full for each portion of training for which the student requests transcripts; all fees must be paid in full to receive a diploma or certificate. Student Academic Files are maintained at this campus. Satisfactory Academic Progress standards are consistently applied to all students.

Leave of Absence

Excessive absences work adversely on student records, and if students have a medical or a personal problem to work out, they may take a leave of absence (LOA), ensuring that the time lost can be made up when the student returns. For personal reasons students may take up to a one quarter leave of absence. For medical reasons, students may take up to a four quarter leave of absence.

Probation and Termination

If for reasons of poor academic progress and/or poor attendance, students may be placed on probation. Probation is a measure taken by the school that is designed to help students correct their behavior and/or academic deficiencies. Probation remedies are meant to help students improve their performance. It is the school's responsibility to identify student deficiencies and take corrective measures to provide students with the best opportunity to improve their status in school and become successful and prepared to be professional interpreters and translators.

Termination is a measure taken by the school when a student has not successfully met the standards of the school. By not improving performance once placed on probation, and/or by not adhering to the student rules given to students at Orientation, and/or being under the influence, consuming, selling, or possession of drugs or alcohol on school premises, possession of a weapon on school premises, and/or by demonstrating disrespectful behavior to another student, administrators, or faculty, and/or for failure to meet financial obligations, a student will be terminated.

Appeals Process

Students have the right to appeal any disciplinary action, but they must do so in writing. Students' Written Appeals will be reviewed and evaluated by the President. The appeal must be received within 30 days of the initial action, and provide all information relative to the event or situation resulting in the disciplinary action. The President will reply in writing within 30 days.

Student Conduct

LATI students are training to be professionals, and therefore we expect students to behave in a respectful and professional manner at all times. Students are to follow the school rules listed in this catalog, cooperate with classmates, staff and faculty, and abide by the Student Rules of Conduct reinforced throughout the school experience.

The student *Rules of Conduct* includes a dress code. LATI requests that all students dress in an appropriate school dress. Students are not to wear very short skirts, shorts, or flip flops.

Students must remember they are preparing for a career as a professional and must dress respectfully, and be well groomed at all times.

Student Records

Student financial records are maintained for ten years after students have completed their program at this school. Academic records are kept into perpetuity. All files are secured in locked, fireproof and water-proof cabinets, in a secured location safe from casual contact and theft.

You must pay the state-imposed assessment for the Student Tuition Recovery Fund (STRF) if all of the following applies to you:

1. You are a student in an educational program, who is a California resident, or are enrolled in a residency program, and prepay all or part of your tuition either by cash, guaranteed student loans, or personal loans, and
2. Your total charges are not paid by any third-party payer such as an employer, government program or other payer unless you have a separate agreement to repay the third party.

You are not eligible for protection from the STRF and you are not required to pay the STRF assessment, if either of the following applies:

1. You are not a California resident, or are not enrolled in a residency program, or
2. Your total charges are paid by a third party, such as an employer, government program or other payer, and you have no separate agreement to repay the third party.

The State of California created the Student Tuition Recovery Fund (STRF) to relieve or mitigate economic losses suffered by California residents who were students attending schools approved by, or registered to offer Short-term Career Training with, the Bureau for Private Postsecondary and Vocational Education.

You may be eligible for STRF if you are a California resident, prepaid tuition, paid the STRF fee, and suffered an economic loss as a result of any of the following:

1. The school closed before the course of instruction was completed.
2. The school's failure to pay refunds or charges on behalf of a student to a third party for license fees or any other purpose, or to provide equipment or materials for which a charge was collected within 180 days before the closure of the school.
3. The school's failure to pay or reimburse loan proceeds under a federally guaranteed student loan program as required by law or to pay or reimburse proceeds received by the school prior to closure in excess of tuition and other cost.
4. There was a material failure to comply with the Act or this Division within 30 days before the school closed or, if the material failure began earlier than 30 days prior to closure, the period determined by the Bureau.
5. An inability after diligent efforts to prosecute, prove, and collect on a judgment against the institution for a violation of the Act.

The STRF fee is based on **\$.50** per every thousand dollars paid in tuition. Students must keep a copy of any enrollment agreement, contract, and/or application to document enrollment; tuition receipts or cancelled checks will document the total amount of tuition paid. This information may substantiate a claim for reimbursement from the STRF, which must be filed within one year of the Bureau's service on the student's behalf; or if no notice of rights are served to the student, then within four years of the school's closure. If a student does not possess a social security number or tax identification number, they may not receive a claim. For further information or instructions write to the BPPE:
