Syllabus: Medical Interpreting II: ENT, OB&GYN

Instructor: Dr. Junhui Joo (State of California court certified interpreter, National Board medical certified interpreter)

I. Goals and Objectives

Even the most seasoned court certified interpreter would get into trouble with medical terminologies during medical malpractice trials and workers compensation trials.

The goal of this course is to provide continuing education for court certified interpreters in medical specialties and terminologies.

We will focus ENT, OB&GYM. Videos and Power points will be used when necessary. The students are required to submit a 50-question test at the end of the class.

Objective: To master terminology in ear, nose, throat, obstetrics and gynecology.
