Syllabus: Medical Interpreting III: MENTAL DISORDER

Instructor: Dr. Junhui Joo (State of California court certified interpreter, National Board medical certified interpreter)

I. Goals and Objectives

Even the most seasoned court certified interpreter would get into trouble with medical terminologies during medical malpractice trials and workers compensation trials.

The goal of this course is to provide continuing education for court certified interpreters in medical specialties and terminologies.

We will focus on mental diseases. Videos and Powerpoints will be used when necessary. The students are required to submit a 50-question test at the end of the class.

Objective: To master terminology in mental diseases and psychiatry and psychology

II. Lecture method

Lecture, video, powerpoint and test.
